

SET C71: CONCEALED SYSTEM SYSTEM 40 MECH WITH WALL HUNG BOWL WITH TOILET SEAT AND FLUSHING BUTTON

[COLLECTION MITO](#)

PRODUCT CODE:

S701-849

Product description

The composition of the set: - SYSTEM 40 MECH concealed WC frame with a guarantee of long-term and trouble-free use - chrome gloss mechanical flush button - wall-hung bowl with rim - toilet seat polypropylene, soft close SYSTEM 40 MECH concealed WC frame for dry installation has been equipped with a number of functional solutions that make installation easier and faster: brakes in the frame feet, rotatable painted feet, outlet knee with four-stage depth adjustment, '1 meter' marking to help determine the height of the wall-hung bowl, and a color code facilitating the installation process. Ease of installation is complemented by the ability to adjust the tank's internal components without the use of special tools. The tank of the WC frame was made with modern blow molding technology, a one-piece construction of durable plastic ensures tightness and safety for years of use. Adjustment of the amount of flushed water and the possibility to change the dynamics of the water flow on the mechanical flushing valve, quiet filling valve, styrofoam insulation around the tank, or FRESH SYSTEM, a special dispenser for freshener cubes, which guarantees hygiene for a longer time—all these contribute to the highest usable quality of the SYSTEM concealed frame.

Technical data

Colour	blue
Depth	41,5 cm
Easy-off	no
Flushing	3-6L
Frame type	FOR WC
Gross weight	35,5 kg
Height	117 cm
Material	steel, plastic
Mounting kit	yes
